Objective

Motivated B.Tech student in Electrical Engineering with hands-on experience in MERN stack development and a strong foundation in Data Structures & Algorithms (Java). Passionate about building scalable web applications and solving complex problems through efficient coding. Seeking internship opportunities to enhance my technical skills and contribute to real-world projects.

Key Skills & Technologies

- **Frontend:** HTML, CSS, SCSS, JavaScript, ReactJS
- **Backend:** Node.js, Express.js, MongoDB
- **Programming Languages:** Java, C, Python
- **Concepts:** Object-Oriented Programming (OOPs), Data Structures & Algorithms (Java)
- **Tools & Platforms:** Git, GitHub, Postman, VS Code, Docker (basic)

Projects

Code Editor (07/2024 - Present)

- Developed a MERN stack-based code editor integrating Monaco Editor and Compilex npm package for advanced code compilation and execution.
- Features: Syntax highlighting, real-time collaboration, and multiple language support.
- Optimized performance by implementing efficient code execution workflows.
- Hosted on GitHub / Live Demo

Portfolio Website

- Designed and developed a personal portfolio website using React.js and Next.js.
- Showcases projects, skills, and contact details with an interactive UI.
- Deployed using Vercel for seamless performance.
- GitHub / Live Demo

Education

National Institute of Technology (NIT), Delhi

08/2023 - Present | B.Tech in Electrical Engineering | CGPA: 7.77

KVSPG (CBSE Class XII)

04/2022 - 05/2023 | Percentage: 90.8%

Certifications & Achievements

- Certified Full-Stack Web Developer – [Intellipaat/Udemy/Coursera]
- Leetcode: 300+ DSA Problems Solved (Java)
- Participated in Hackathons & Coding Contests (CodeChef, Codeforces)
- Google Cloud Study Jam – Hands-on experience with cloud computing

Extracurricular & Leadership

- Active member of NIT Delhi's Coding Club
- Contributor to Open-Source Projects (GitHub)
- Volunteered for Technical Events & Hackathons

Additional Information

- Availability: Open to internships (Remote/Onsite)
- Languages: English, Hindi
